Become a **Friend of The Mount** and help sustain our unique community with young people with learning disabilities.

## **Friends of The Mount are those who give their committed support to sustain our thriving Camphill Community. Become a Friend today.**

Founded in 1970, The Mount is a charity as well as a Camphill College offering craft-based education for young adults with learning disabilities aged 16-25. Alongside the College is a thriving Cohousing Community, offering a home to young adults within the Mount Camphill Community and in the local village of Wadhurst.

We strive to provide the fullest possible life for those who stay with us. Core educational, housing and support costs are met through local authority funding. But the personalised, enriched experience we hope to offer is only possible through the funding we receive from voluntary donations and fundraising.

We ask for your support to help us provide vulnerable young people a fulfilled, meaningful home, work and college life with us here at The Mount.

Friends of The Mount give their regular support to ensure that we can continue to offer a richer, fuller life to young adults with learning disabilities in our community now, and for years to come.

Please, become a Friend today and help us to secure a strong future for this unique charity.

**As a Friend you will receive our regular fundraising newsletter. You will also receive invitations to come to our Community and see the benefit your support is providing. Each Christmas, you will receive a very special gift, handmade by the young people themselves.**
